

Historical note. Earl Waltheof was executed in 1076 for his part in a rebellion against King William the previous year. Countess Judith was Waltheof's wife and the king's niece. She ended up with most of Waltheof's estates and many more besides. She wasn't fondly remembered by Waltheof's supporters. This story is among those told in the 'Domesday' special.

Why Is The Domesday Book Called The Domesday Book ->>>
